WORK EXPERIENCE

FREELANCE DESIGNER, LANCIV LLC

SYDNEY, AUSTRALIA - MAR 2014

- Designed their logo and business card based on concepts and ideas provided by the client to begin the branding process.
- Communicated with the client at times best for him considering the 14 hour time difference.

FREELANCE WEB DEVELOPER, NO ANCHOR PROJECT

ORLANDO, FL - SEPT 2013

- Developed the front-end of their website in HTML CSS and JQuery, and used PHP for the contact forms. The client provided website design and all assets, I built according to those designs and worked with the client to make sure everything met their expectations.
- Assisted in the launch process and continue to maintain and update the website

FREELANCE DESIGNER, SAFEHOUSE MOVEMENT

ORLANDO, FL - OCT 2012 TO PRESENT

- Collaborated with another designer and the client to design a logo and a t-shirt that best represented the organization and their mission

FREELANCE DESIGNER, WENZEL DOWNHOLE TOOLS LTD

CONROE, TX - JUNE 2012

- Designed a banner advertisement for their BBQ pit trailer to promote the company during industry events

CO-OWNER, AKËRO CLOTHING CO

2010 TO PRESENT

- Co-founded the clothing company and manage all expenses, orders, sales and online presence
- Designed and developed Akëro's website and designed shirts
